

BLINDER MINI

PUNCHING ABOVE ITS WEIGHT

As a USB light with a choice of blinding LED tech and multiple features, it's hard to believe it only adds 18g to the weight of your bike.

FEATURES:

- 100% waterproof and dustproof – to standard IP67
- Materials: UV-resistant industrial grade silicone; tough polycarbonate housing; optical grade PMMA lens; hard-anodised aluminium fascia
- 5 light modes: Steady, Strobe Flash, Fading Flash, Lightning Flash, Eco Flash
- Tiny dimensions: 31 x 31 x 14mm ex strap
- Visible from over 800m (front = 20 lumens) and 600m (rear = 11 lumens)
